agent, representative and or distributor

**TO WHOM IT MAY CONCERN**

Dear relation,

For us, as pump manufacturer it is very important to have close and frequent contact with our customers and the rest of the market. For this reason hlp group is looking for local eyes, ears and knowledge over the world.

Our goal is to serve our customers on a high and suitable level.

We understand the need to speak the same "language" as our customers. Local **service** is in our policy one of the key successors.

At the moment we are interested in partnerships with you and/or your company to have a collaboration.

What does hlp group offers for example?

1. World class pump solutions
2. Product and production from Holland
3. High quality
4. Complete engineering
5. Excellent service
6. Long term relationship / partnership

What are we looking for:

1. Reliable person/ company
2. Local knowledge of the fluid handling systems (pumps)
3. Local knowledge of the market
4. Long term relationship / partnership

If you are interested, please do not hesitate to contact us.

Best regards,  
**hlp group b.v.**
